On our one-hundred eighty-day trip in 1958-59, we went to the far reaches of the horizon, shared many adventures, and gathered countless memories. We herein invite you to look back to relive some of the highlights of our voyage together.

Once launched in the magic balloon with our traveling companions, the faculty, we were carried through myriad classes and work schedules and examinations and high into "the realms of gold". With them we touched down in new and exciting places to explore the broad highways of ideas, ford the rivers of deep thought, and climb the peaks of inspiration.

Entrained in our DeWitt-Clinton, we steamed through the busy Administration offices and puffed in to see the secretaries and cafeteria staff. Atop the swaying elephants, our howdahs proved to be excellent vantage points from which to view the dignitaries in Student Government and the long line of Seniors completing their last-year maneuvers.

After hacking our way through a jungle of activities, a rakish limousine swept us off to Central's whirling social season. Then we cycled into sports and the athletic departments, "rattled" through those baby pictures taken way back when, and finally set sail for home on a sea of underclassmen.

On the longer trip on which you are now embarking, we hope you will occasionally glance through this log to renew the colorful recollections of a journey in 1958-59 that will always be a part of us.

DEDICATION

In order to show their respect and admiration to a valued member of our staff, both the students and faculty at Central High School have combined their efforts to pay a tribute in dedicating the 1959 Centralia to Miss Irma Hodgson.

Miss Hodgson was born in Bay City where she attended Central High School. Upon graduating from high school, she went to Eastern Michigan College and the University of Michigan where she obtained her Master of Arts degree. When she finished college she worked in a settlement house in Chicago. Then she came back to teach in her Alma Mater.

Miss Hodgson loves to travel. She has traveled extensively to the Far East, China, the Philippines, Japan, Canada, and Western United States.

In her leisure time she enjoys reading, listening to records, collecting stamps and gardening. A perennial optimist, she always hopes her students will pass and our team will win (Miss Hodgson is quite a football fan). She loves animals and never misses a day in feeding the birds during the winter.

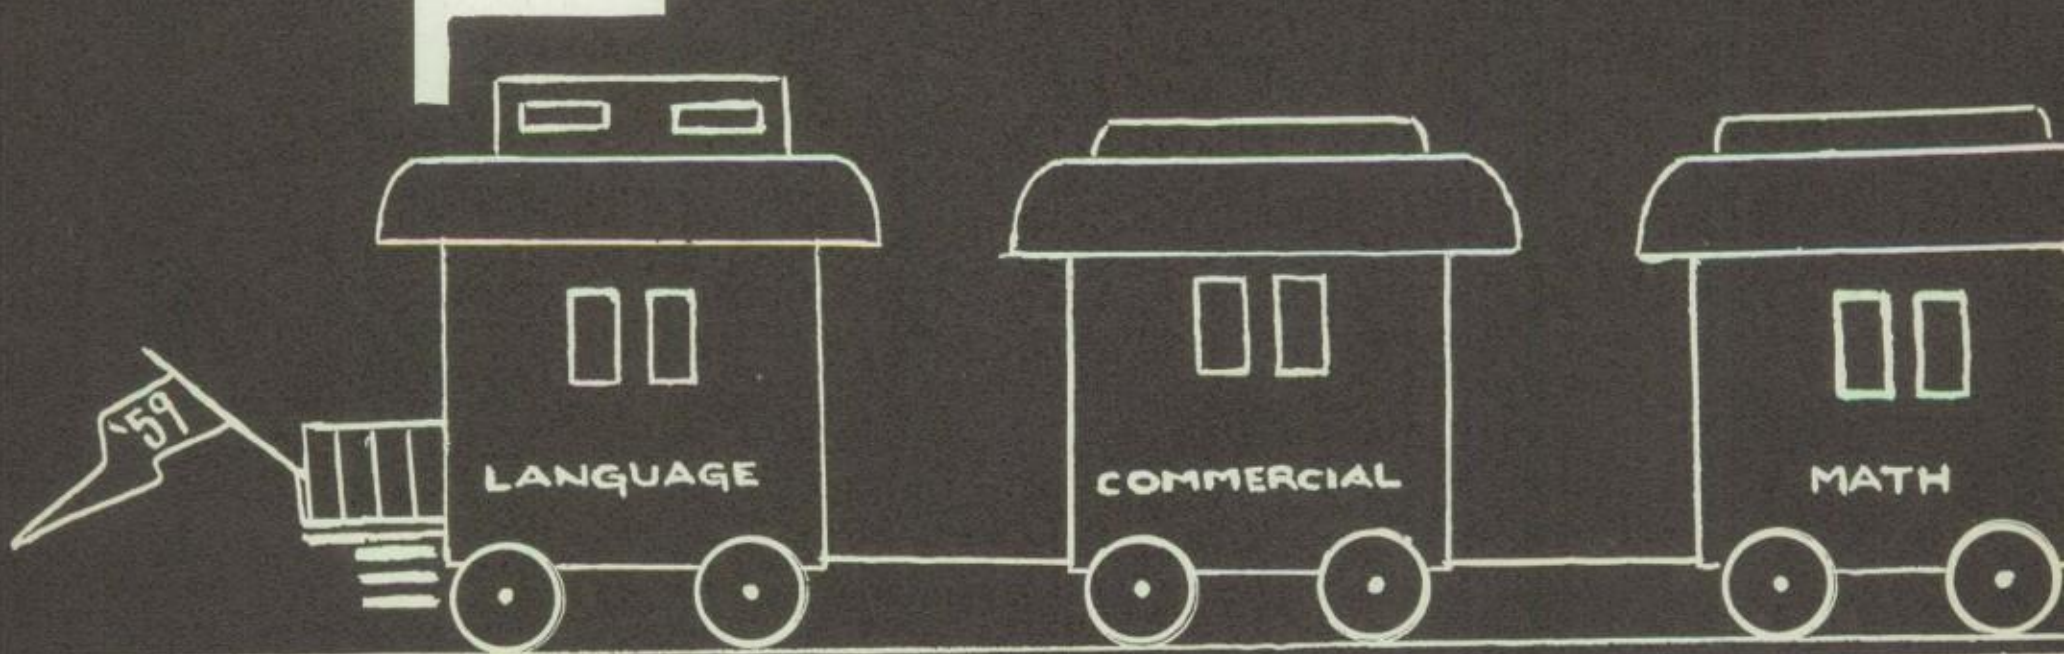

Miss Hodgson's dedication to her job and the ready help she has always given freely to her pupils will be long remembered by those of us remaining at Central. Her sparkling sense of humor which enlivened Room 213 and Central's halls for so many years will be greatly missed.

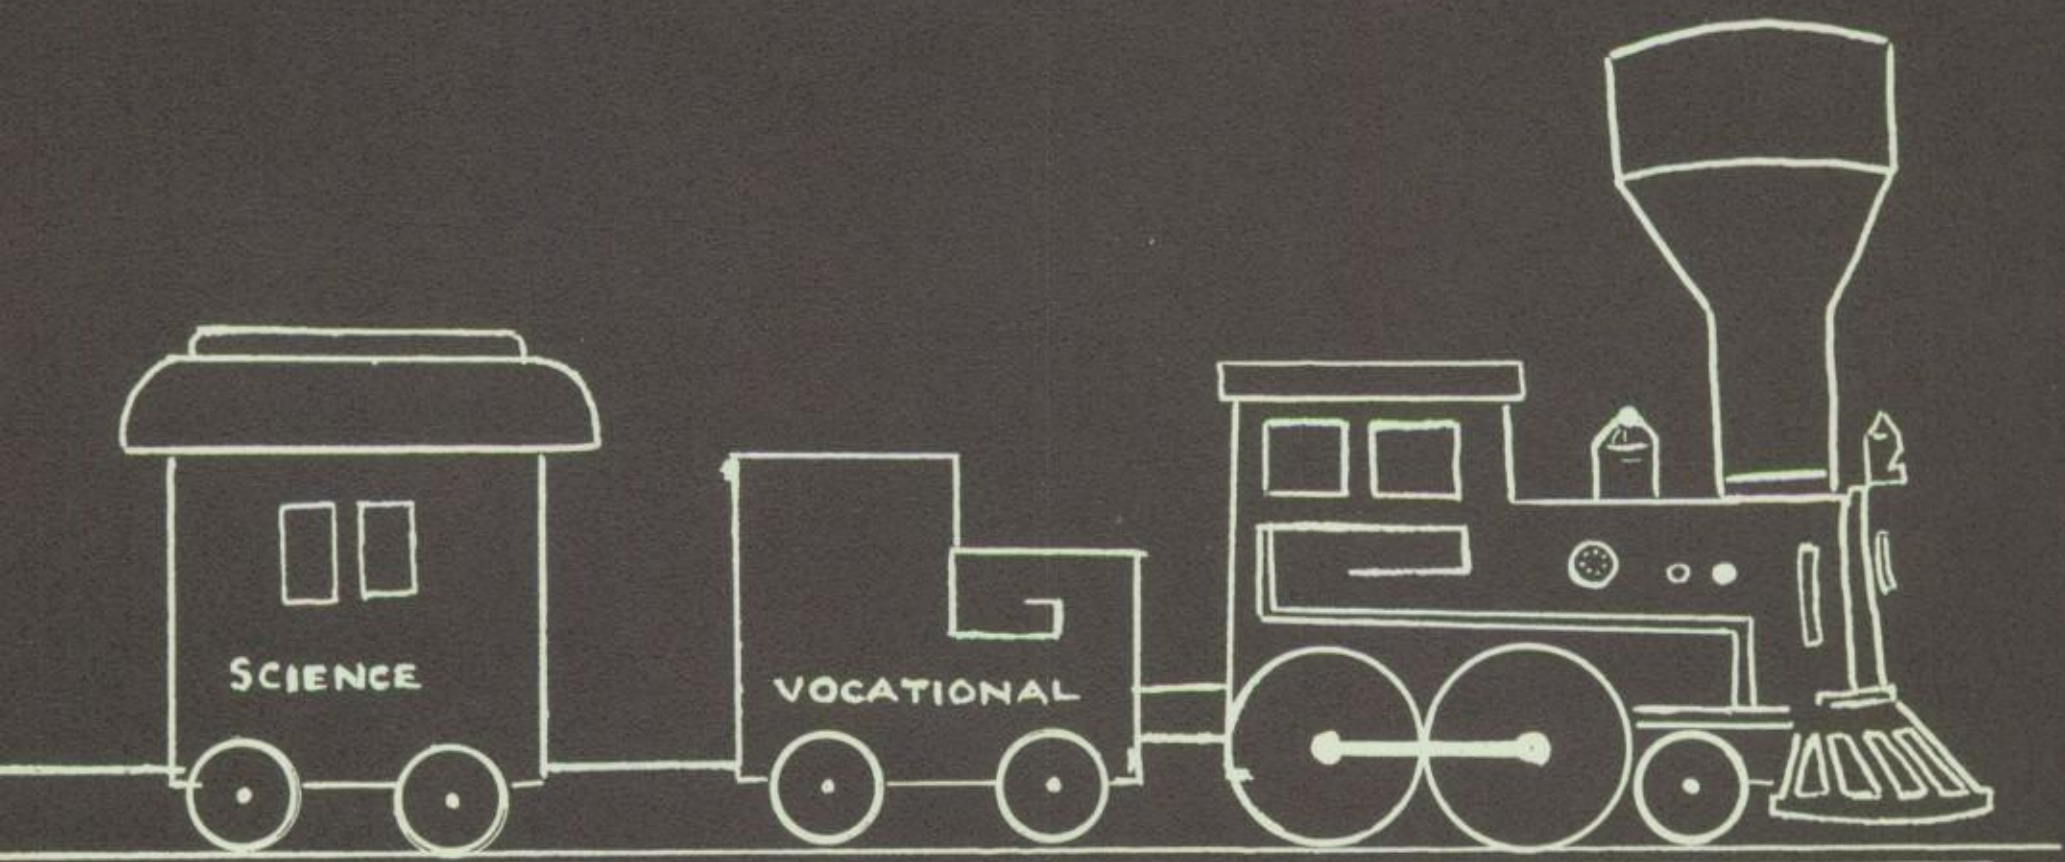

We realize that this is just a small tribute but it is our way of saying good-by, Miss Hodgson, and the best of luck to you in everything you do.

The Alma Mater

Central High,

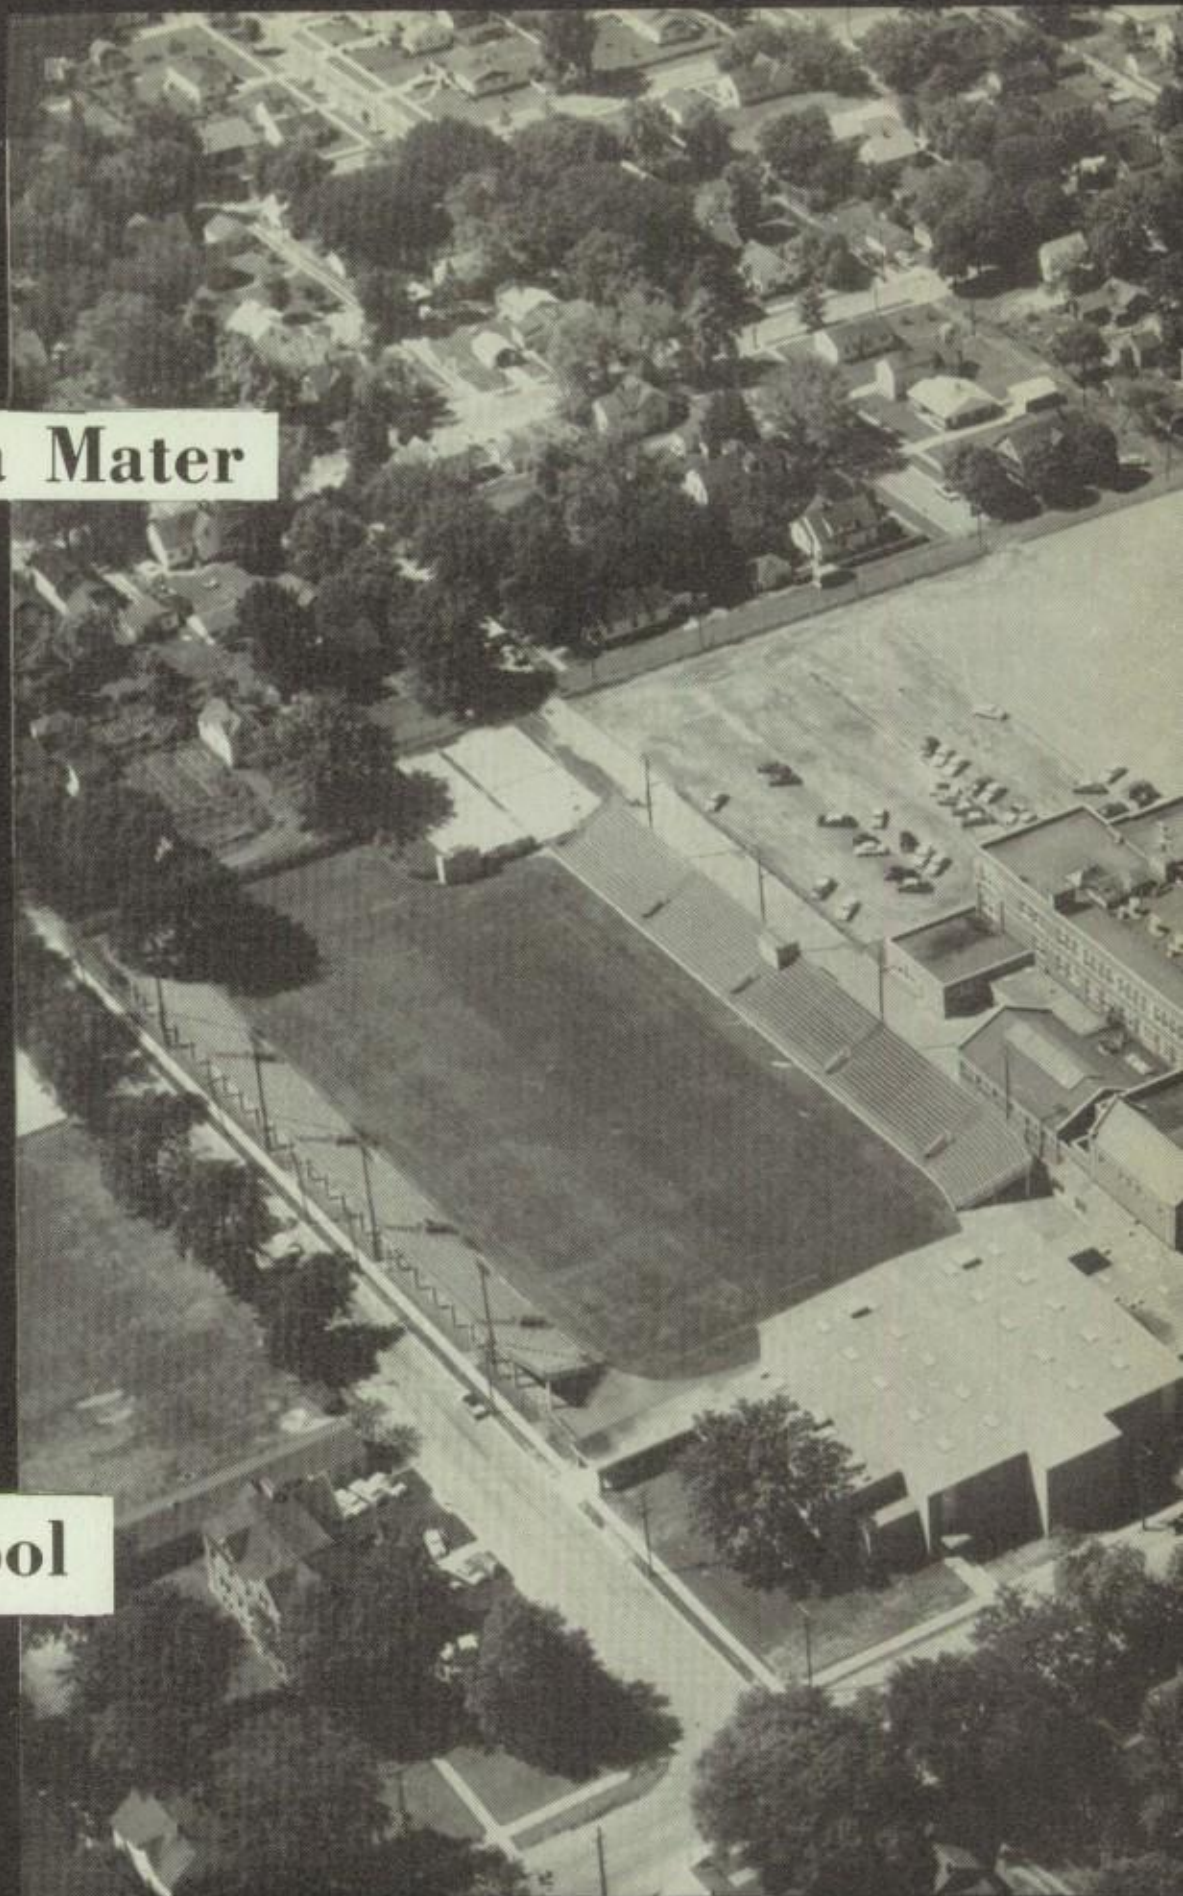

O Central High School

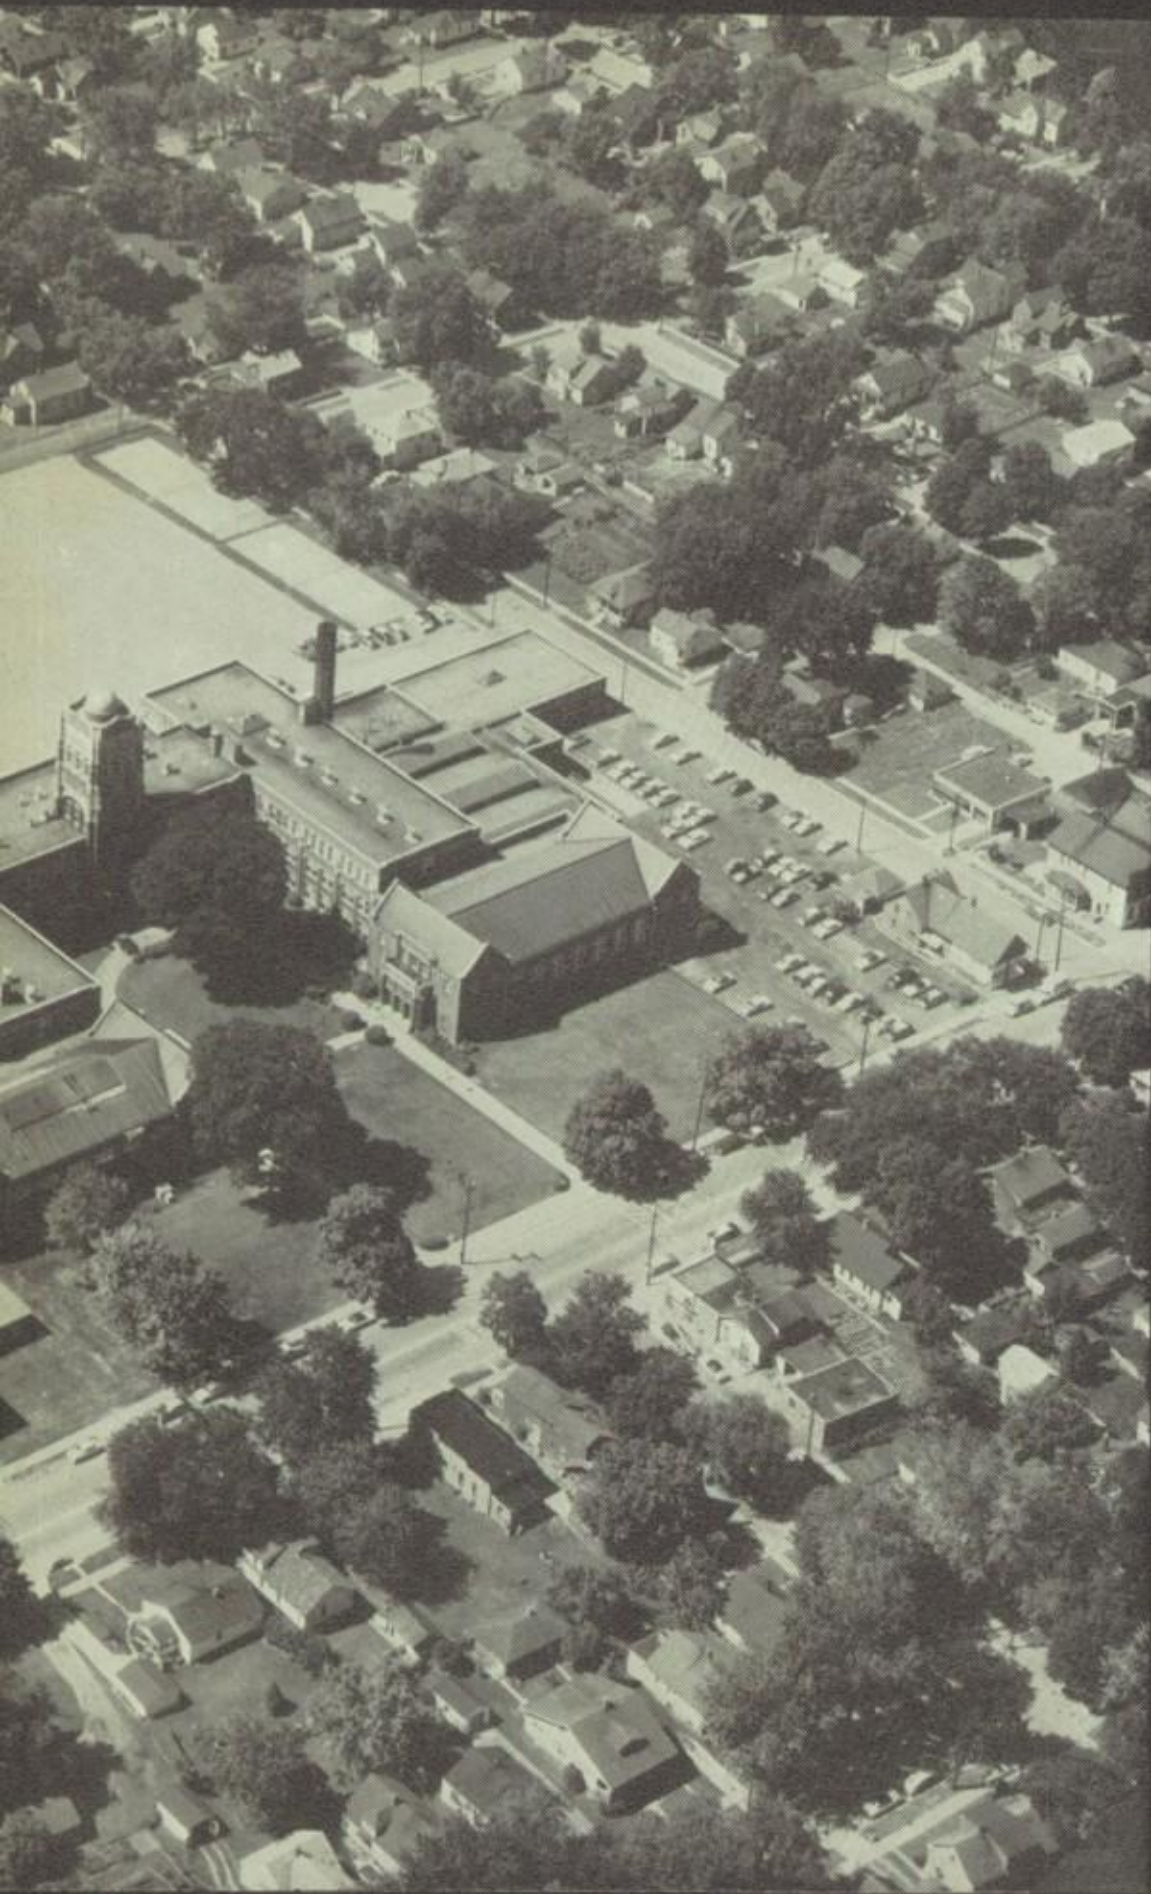

By the inland sea,

In the shadow of thy tower, we shall sing of thee.

Golden dawn to purple dusk,

Central High,

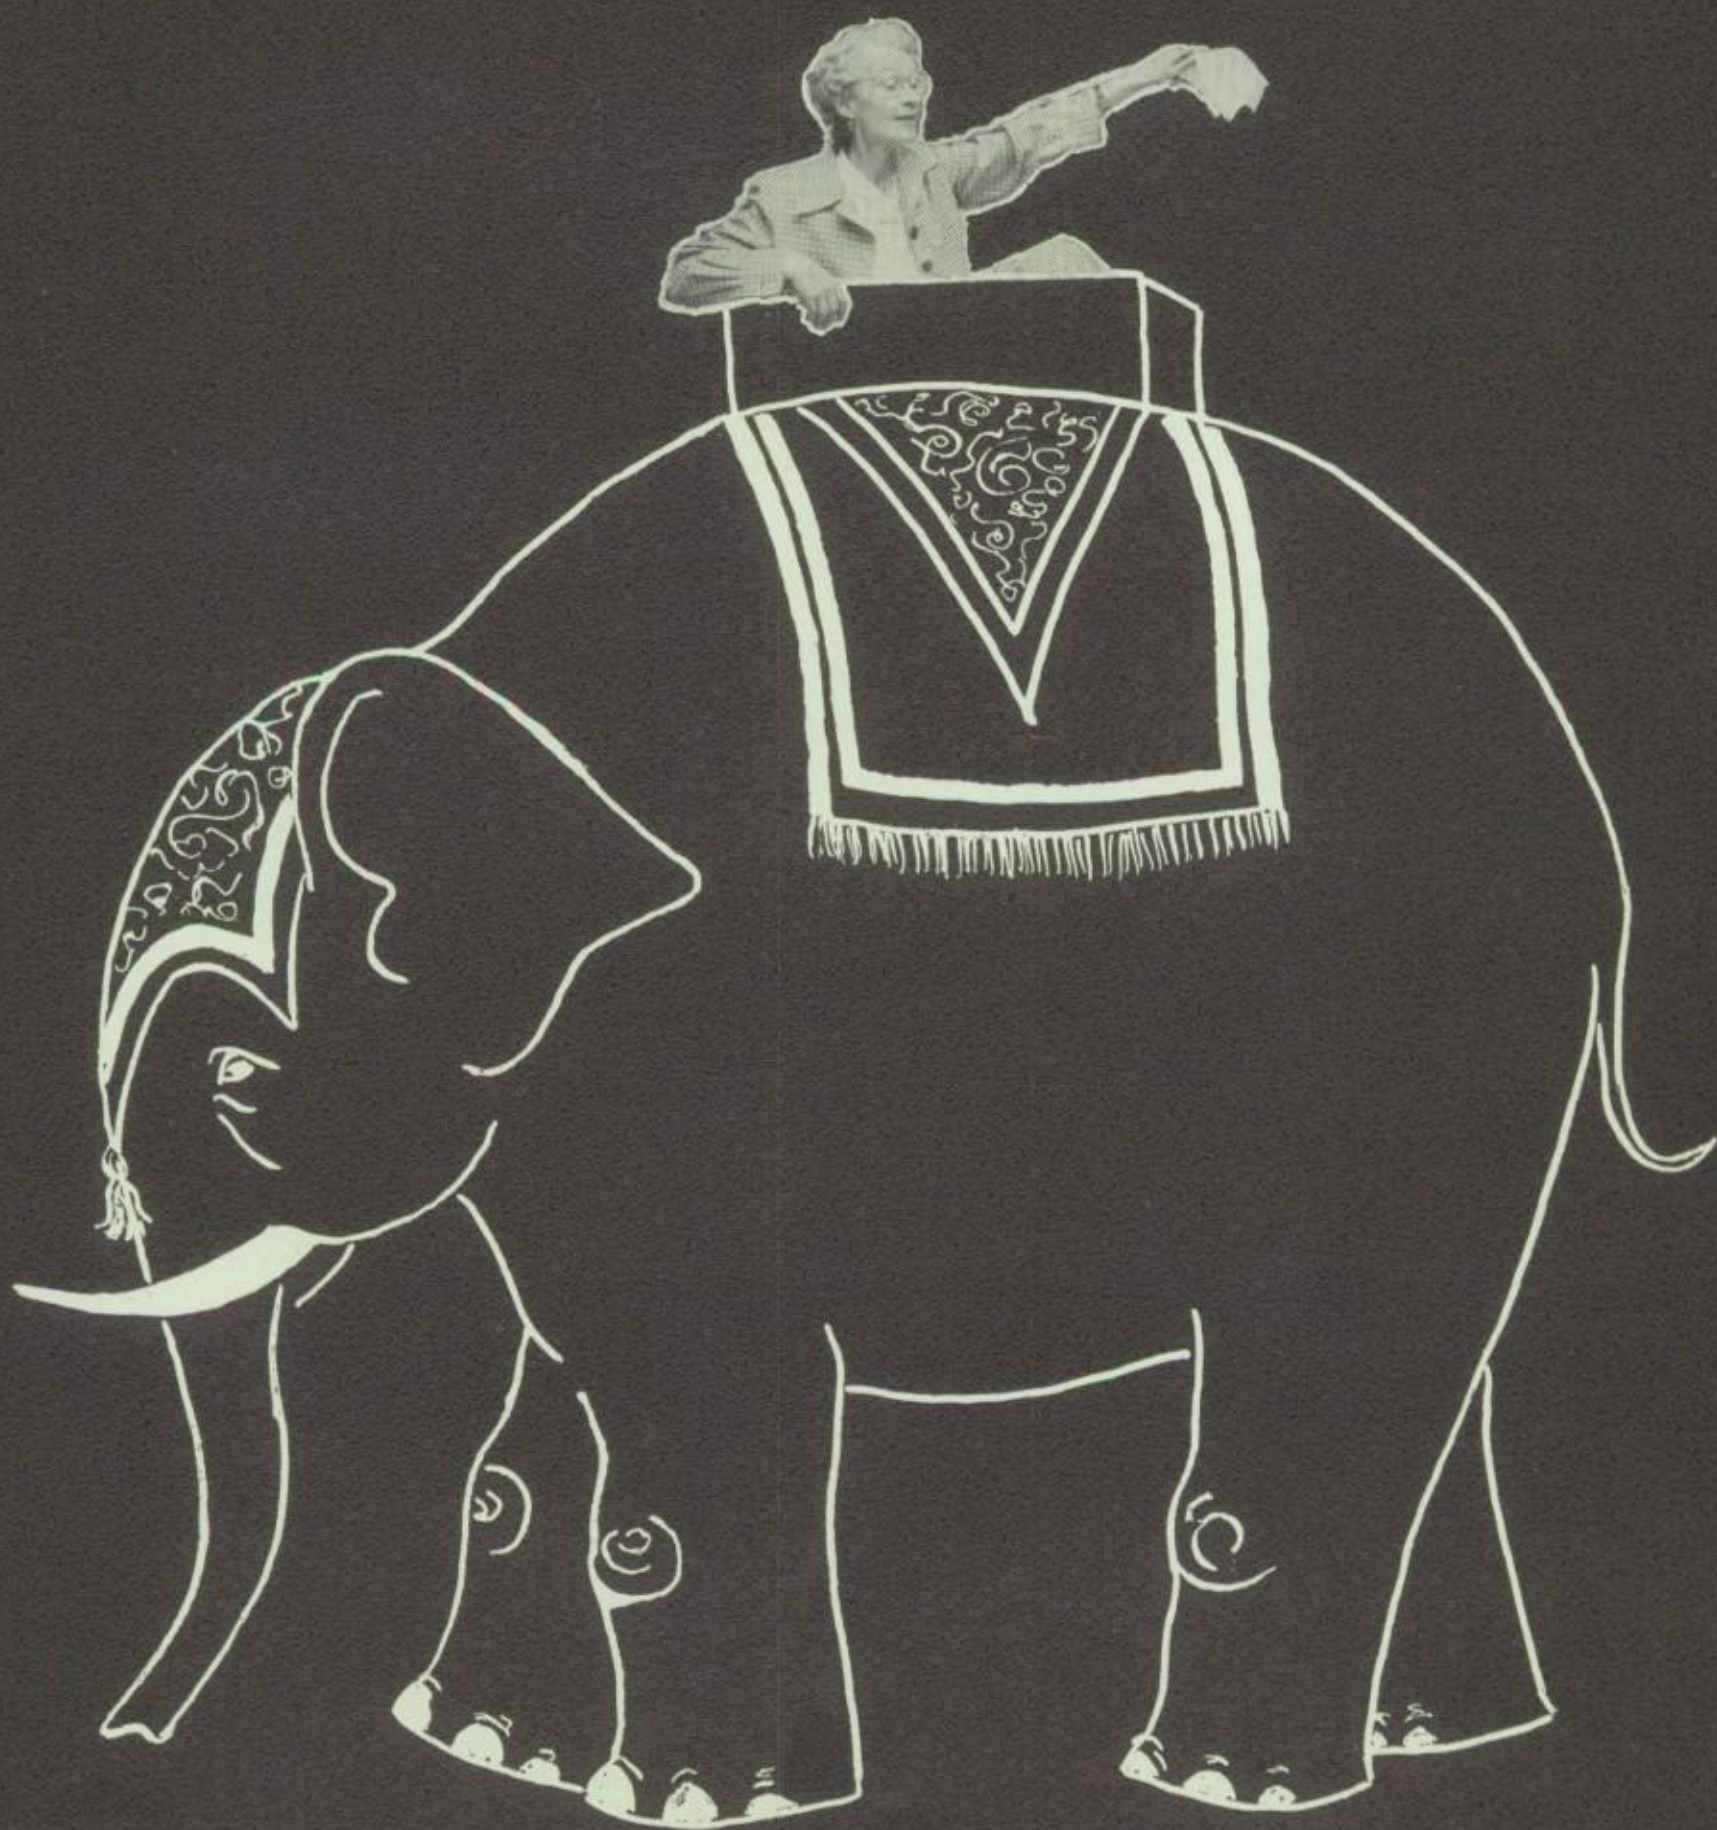

steadfast we will be,

our alma mater, ever dear to me.

YEARBOOK

Since the beginning of the school year, the newly-formed yearbook class has worked faithfully to have the '59 Centralia ready for distribution this spring. We hope the result of our work is an annual of which Central can be proud.

Social

Centralites have an opportunity to participate in a well-rounded social program. The dances range from informal bermuda hops to the Holiday Prom, this year headlining the Glenn Miller Orchestra. Club activities also rate high on the lists of busy Central students. Membership teas, potlucks, parties, and dances dot school and club calendars. Something for everyone might well be Central's social theme song.

HEAD COACH ELMER ENGEL

A TRIBUTE

Central High School was indeed fortunate when, in 1950, it gained the services of Elmer Engel as head football coach.

Football had reached a new low in the two previous to 1950 the Wolves hadn't won a game in two years, losing 18 straight.

In the short nine years that Engel has led the Wolves Central has won two outright Saginaw Valley Conference crowns and tied for two more, a record unsurpassed by none of the five other conference teams in the past nine years.

In nine short years he has built a football dynasty at Central. While other schools may have good football teams every few years, Central has had consistently good squads year in and year out. The peak was reached this past fall when the Wolves tied for the Valley Crown, were undefeated in nine games and won the state Class A championship, in the opinion of the Associated Press and Detroit Times polls.

ALL-STATE

FOOTBALL STORY

It was a long 29 years for the school and an even longer nine seasons for Head Coach Elmer Engel, but Central High School finally had an undefeated season under its belt.

Rambling through a nine-game schedule with only the 13-13 tie with undefeated Flint Central to mar an otherwise perfect season, the Wolves were co-champions of the Saginaw Valley Conference, and in the opinion of the Associated Press and Detroit Times were the best team in the state.

The team, which won its second straight league crown, rolled to a new team rushing record, gaining 3604 yards through the air and on the ground to make it 3 years in a row that the mark has been broken.

Grueling days of practice paid off for the Wolves as they began the season by wrecking three non-conference opponents: Owosso, 51-0; Lansing Sexton, 47-6; and cross-town rival Hanover, 56-0 before starting play in the tough Valley conference.

Due to a scheduling quirk, the two top 11's in the Valley and the state, Central and Flint Central, met in the league opener and battled to a 13-13 tie in the Wolves' stadium before 9,500 fans.

The Wolves' wrath was taken out the following Friday when they defeated Arthur Hill, 60-0, and the following week Central met and defeated a tough Midland aggregation, 12-7.

Back to the Valley and a 54-0 Saginaw High rout the next week was followed by a 33-6 win over a tough Pontiac team to round out the home schedule.

The undefeated season was closed out in Atwood Stadium on Nov. 19, when Central downed an always-rough Flint North team, 27-9.

Individual awards came hard and heavy following the end of the season, with John Young being named the team's most valuable player, and Center Jim Kanicki and Halfback Bud Kokalv being named honorary co-captains for the season.

The man who has guided Central's football fortunes these past years was born November 29, 1919, in LaSalle, Illinois. He got his diploma from LaSalle-Peru Township High School in 1938, and after a year at St. Mary's College of California he enrolled in the University of Illinois.

While playing varsity ball for the "Fighting Illini" in 1940-41-42 as an end, he compiled an enviable record and was named Most Valuable Player by his teammates in his senior year.

After graduating from university, he, like so many other young men, served in the United States Marine Corps and received a citation for meritorious service during the bloody Iwo Jima campaign as a First Lieutenant.

Following his discharge from the Marine Corps, Engel accepted the Athletic Directorship of Barrington High School in Barrington, Illinois, where he coached football and baseball.

After only one year he was asked to accept the Junior Varsity coaching job at his alma mater, Illinois, under Head Coach Ray Elliott.

Three short successful years later, Engel was offered the position of head football coach here at Central, and he accepted the challenge, which, considering the past two year's record, it truly was.

The rest is history.

In his nine years Engel has amassed an overall record of 62 wins, only 16 losses and three ties, and discounting his 1950 mark of 3-6, his record is even more startling, 59-10-3 or a winning percentage of .846.

His mark in the Valley Conference, regarded by all as the toughest football league in the state, is more startling, 32-12-2 for the nine seasons, the best record of any school over that period.

The school owes a great debt to Elmer Engel, for not only has he blessed our football squads with his presence, but has gained the respect and admiration of all who are fortunate enough to be associated with him, both on and off the gridiron.

Congratulations, Coach, for a job well done.

The above trio, plus Quarterback Jerry Gross, Guard Gary Nuttall and End Bob Bishop were named to the first-team All-Valley squad, and Young, Bishop, Gross and Kokaly were honored with first-team positions on the various All-State teams announced at the season's end.

CROSS COUNTRY STORY

Although a winner in only one of five dual meets throughout the season, Coach Ken Norris' cross-country team again gained the admiration of the school body and faculty as one of the hardest-working athletic units in the school.

The season's high point was reached Sept. 25 against Saginaw when the Wolf thinclads trounced the Trojans, 25-34 (low score wins). Dual meet losses were suffered to Midland, Arthur Hill, Flint Central, and Flint Northern, although Norris' crew gained some measure of revenge by finishing ahead of the Vikings in the regional meet at Lansing Oct. 25.

The Wolves finished fifth in this meet with an aggregate of 142 points, while the Flint school was sixth with 131 to avenge an earlier 142 loss.

Individually, Seniors Roy Schram, Fred Finn, and Jimmy Jones and Junior Dennis Ahler distinguished themselves. In the Valley Conference Meet, Schram finished a good twelfth and in the Lansing regional placed fourteenth in a field of 76. Ahler placed in twentieth, Jones twenty-seventh, and Finn thirty-fourth. In state competition at the Washtenaw Country Club of Ann Arbor, Schram placed forty-fifth in a field of 136, a fine showing.

BASKETBALL STORY

There's an infinitesimal difference between a champion and just another basketball team, and this year's Central quintet nudged the scales the wrong way, although finishing out their 7-8 regular-season mark with five wins in their last seven games.

The Wolves, under the direction of second-year Coach Bill Ullenbruch, started the year slowly, but whipped Saginaw (68-67), Midland (62-55), Owosso (58-52), Arthur Hill (63-59) and Handy (78-58), while losing only to top dogs Pontiac Central and Flint Northern before dropping their first district start 54-53, against Midland.

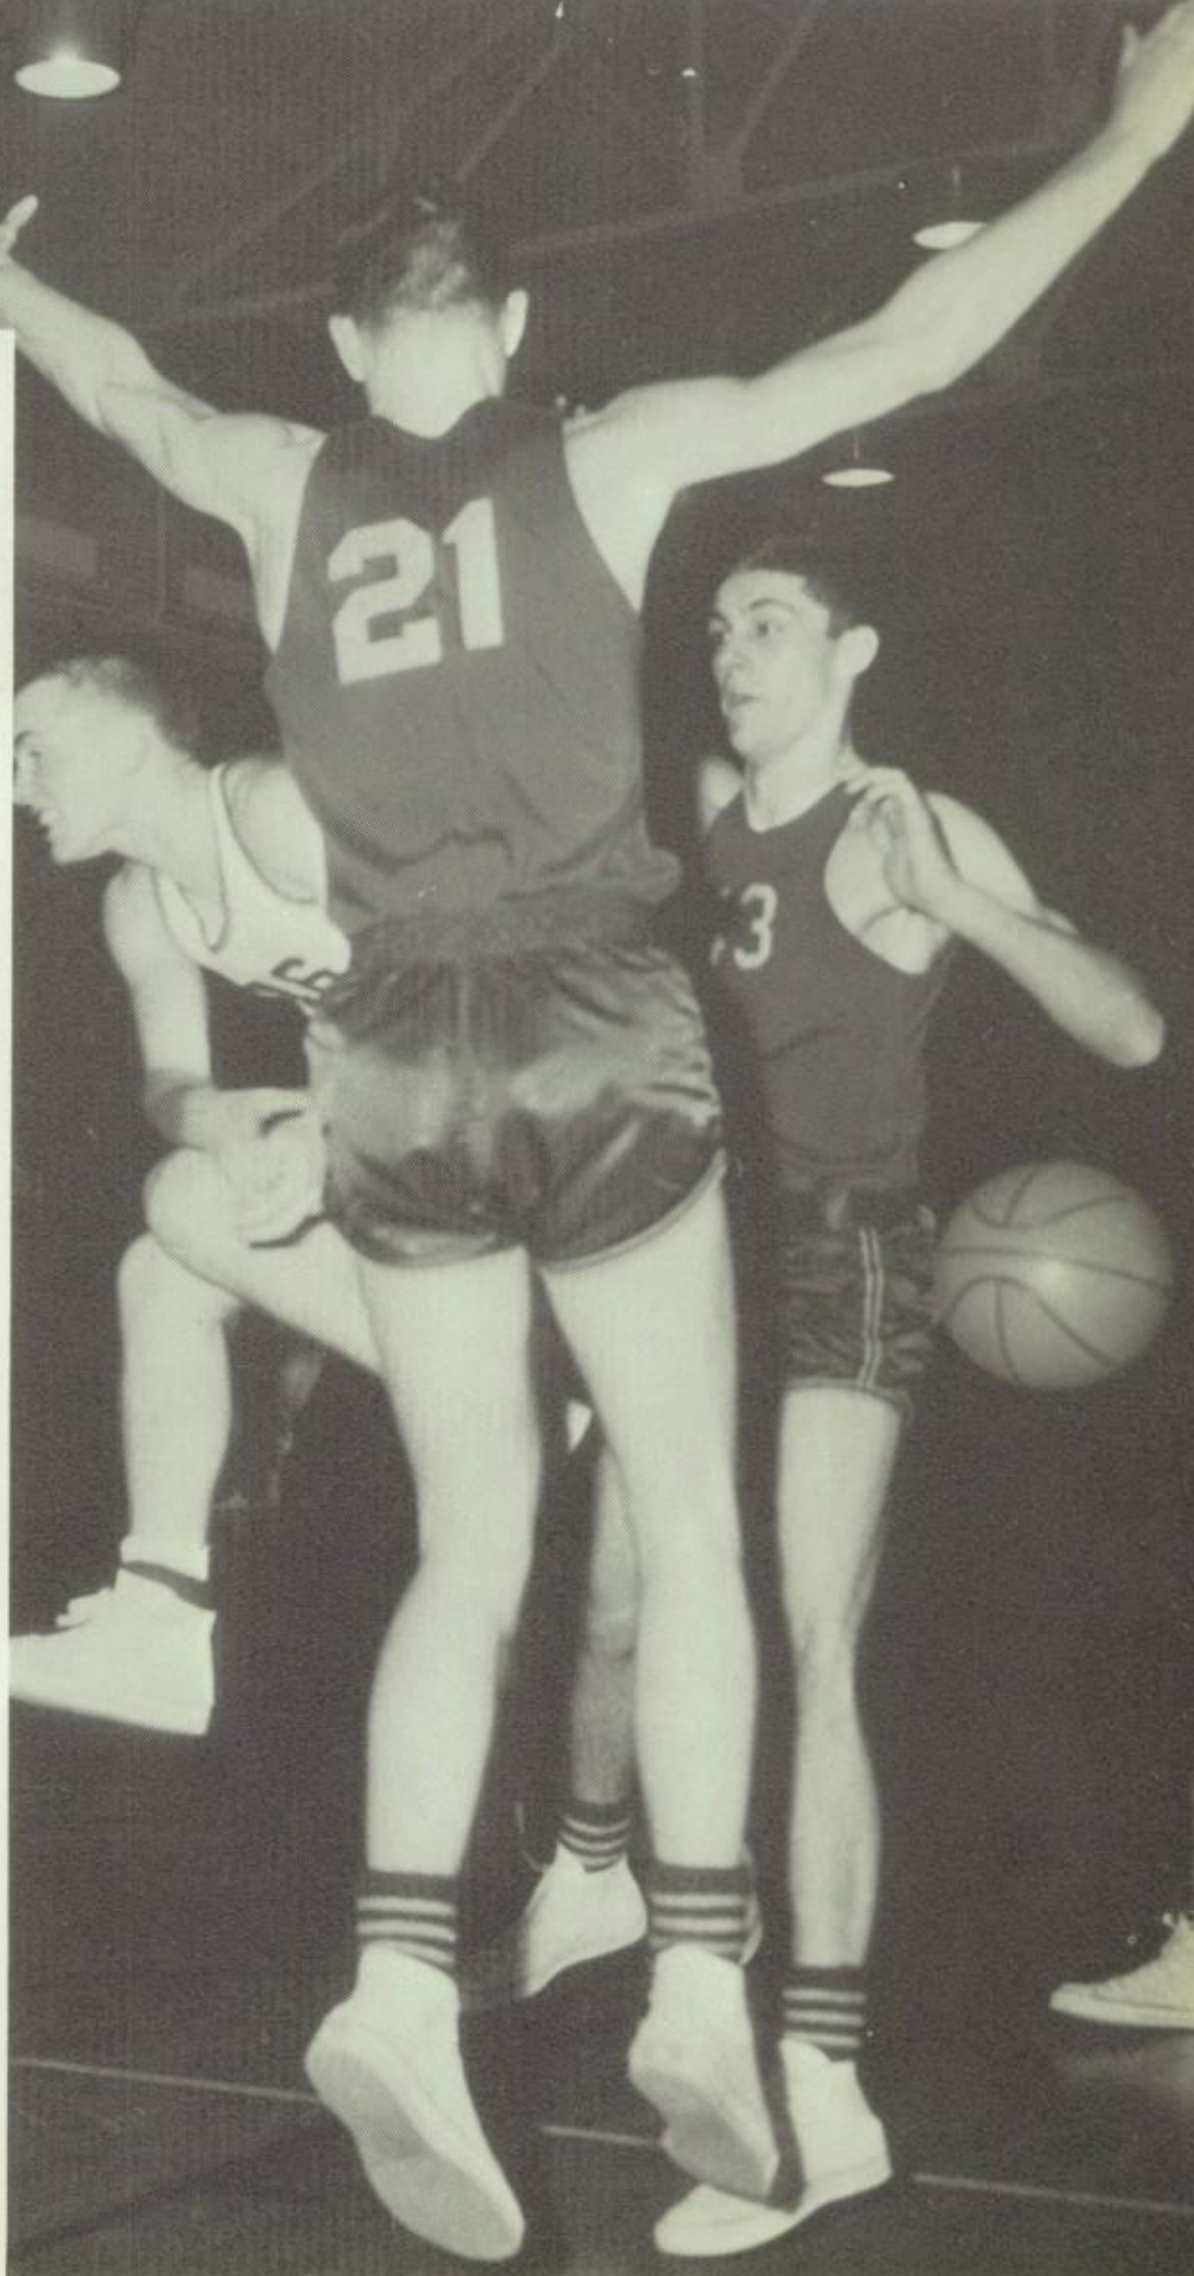

Bob Bishop, senior center, moved up from his second place spot of a year ago to the first team All-Valley selections, with Guard Butch Kokaly also coming in for his share of post-season awards.

The JV's, under the direction of Mentor Ken Norris, also finished fast, winning their final four ball games for a 5-1 mark, and both the Freshman A and B teams closed the year's play with 3-6 marks under Coach Chal Young, a commendable showing.

Guard Ken Warren (44) and Forward Larry Piotrowski (52) bottle up Saginaw High player in 68-67 win.

The overseer, Butch Kokaly, and Center Bob Bishop (43), watch everything but the ball in 78-58 Handy victory.

WRESTLING STORY

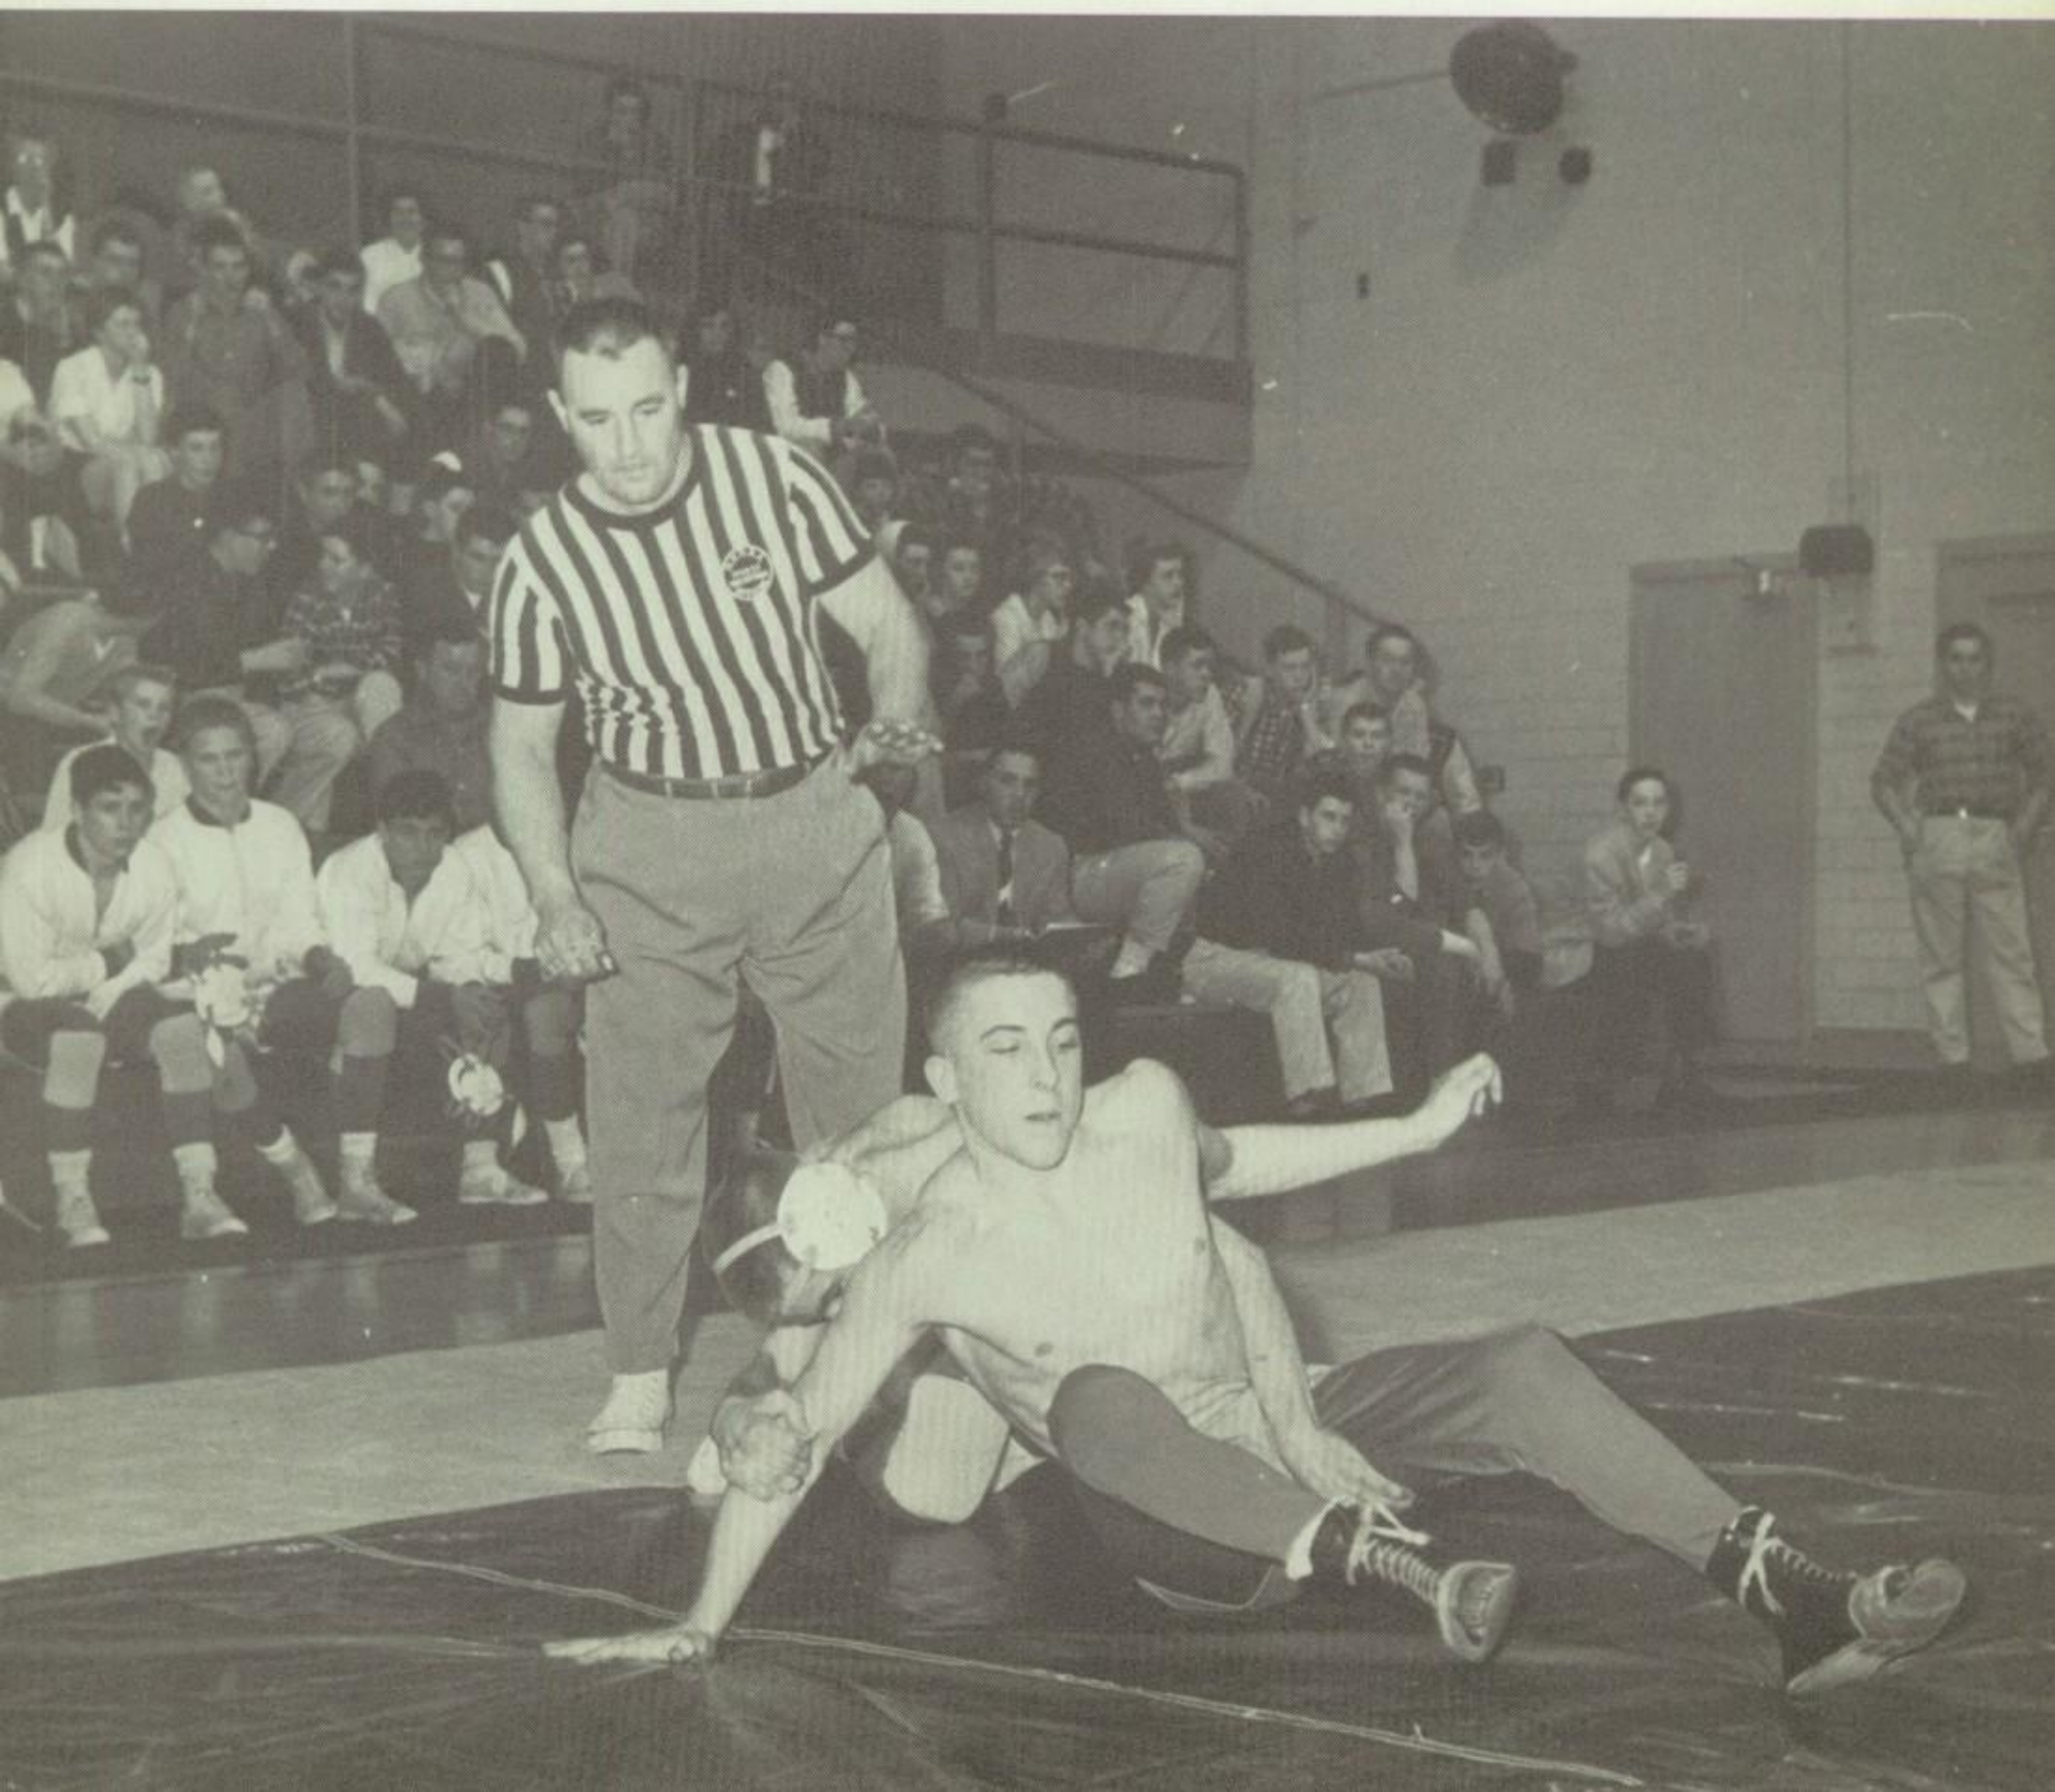

In an obscure lobby of the old gym, the wrestlers go their way without much accolade year after year, but continue to reap more than their share of honors, and this year's team was no exception.

Coach Ray Duch's grapplers for the third straight year won the Valley Conference wrestling crown, although forced to share the title with the Flint Northern Vikings after winning it outright in 1957 and 1958, the first two years conference competition was held.

And during the regular season competition they racked up an impressive dual meet mark of 10-5, and qualified five matmen for the state finals at Michigan State University.

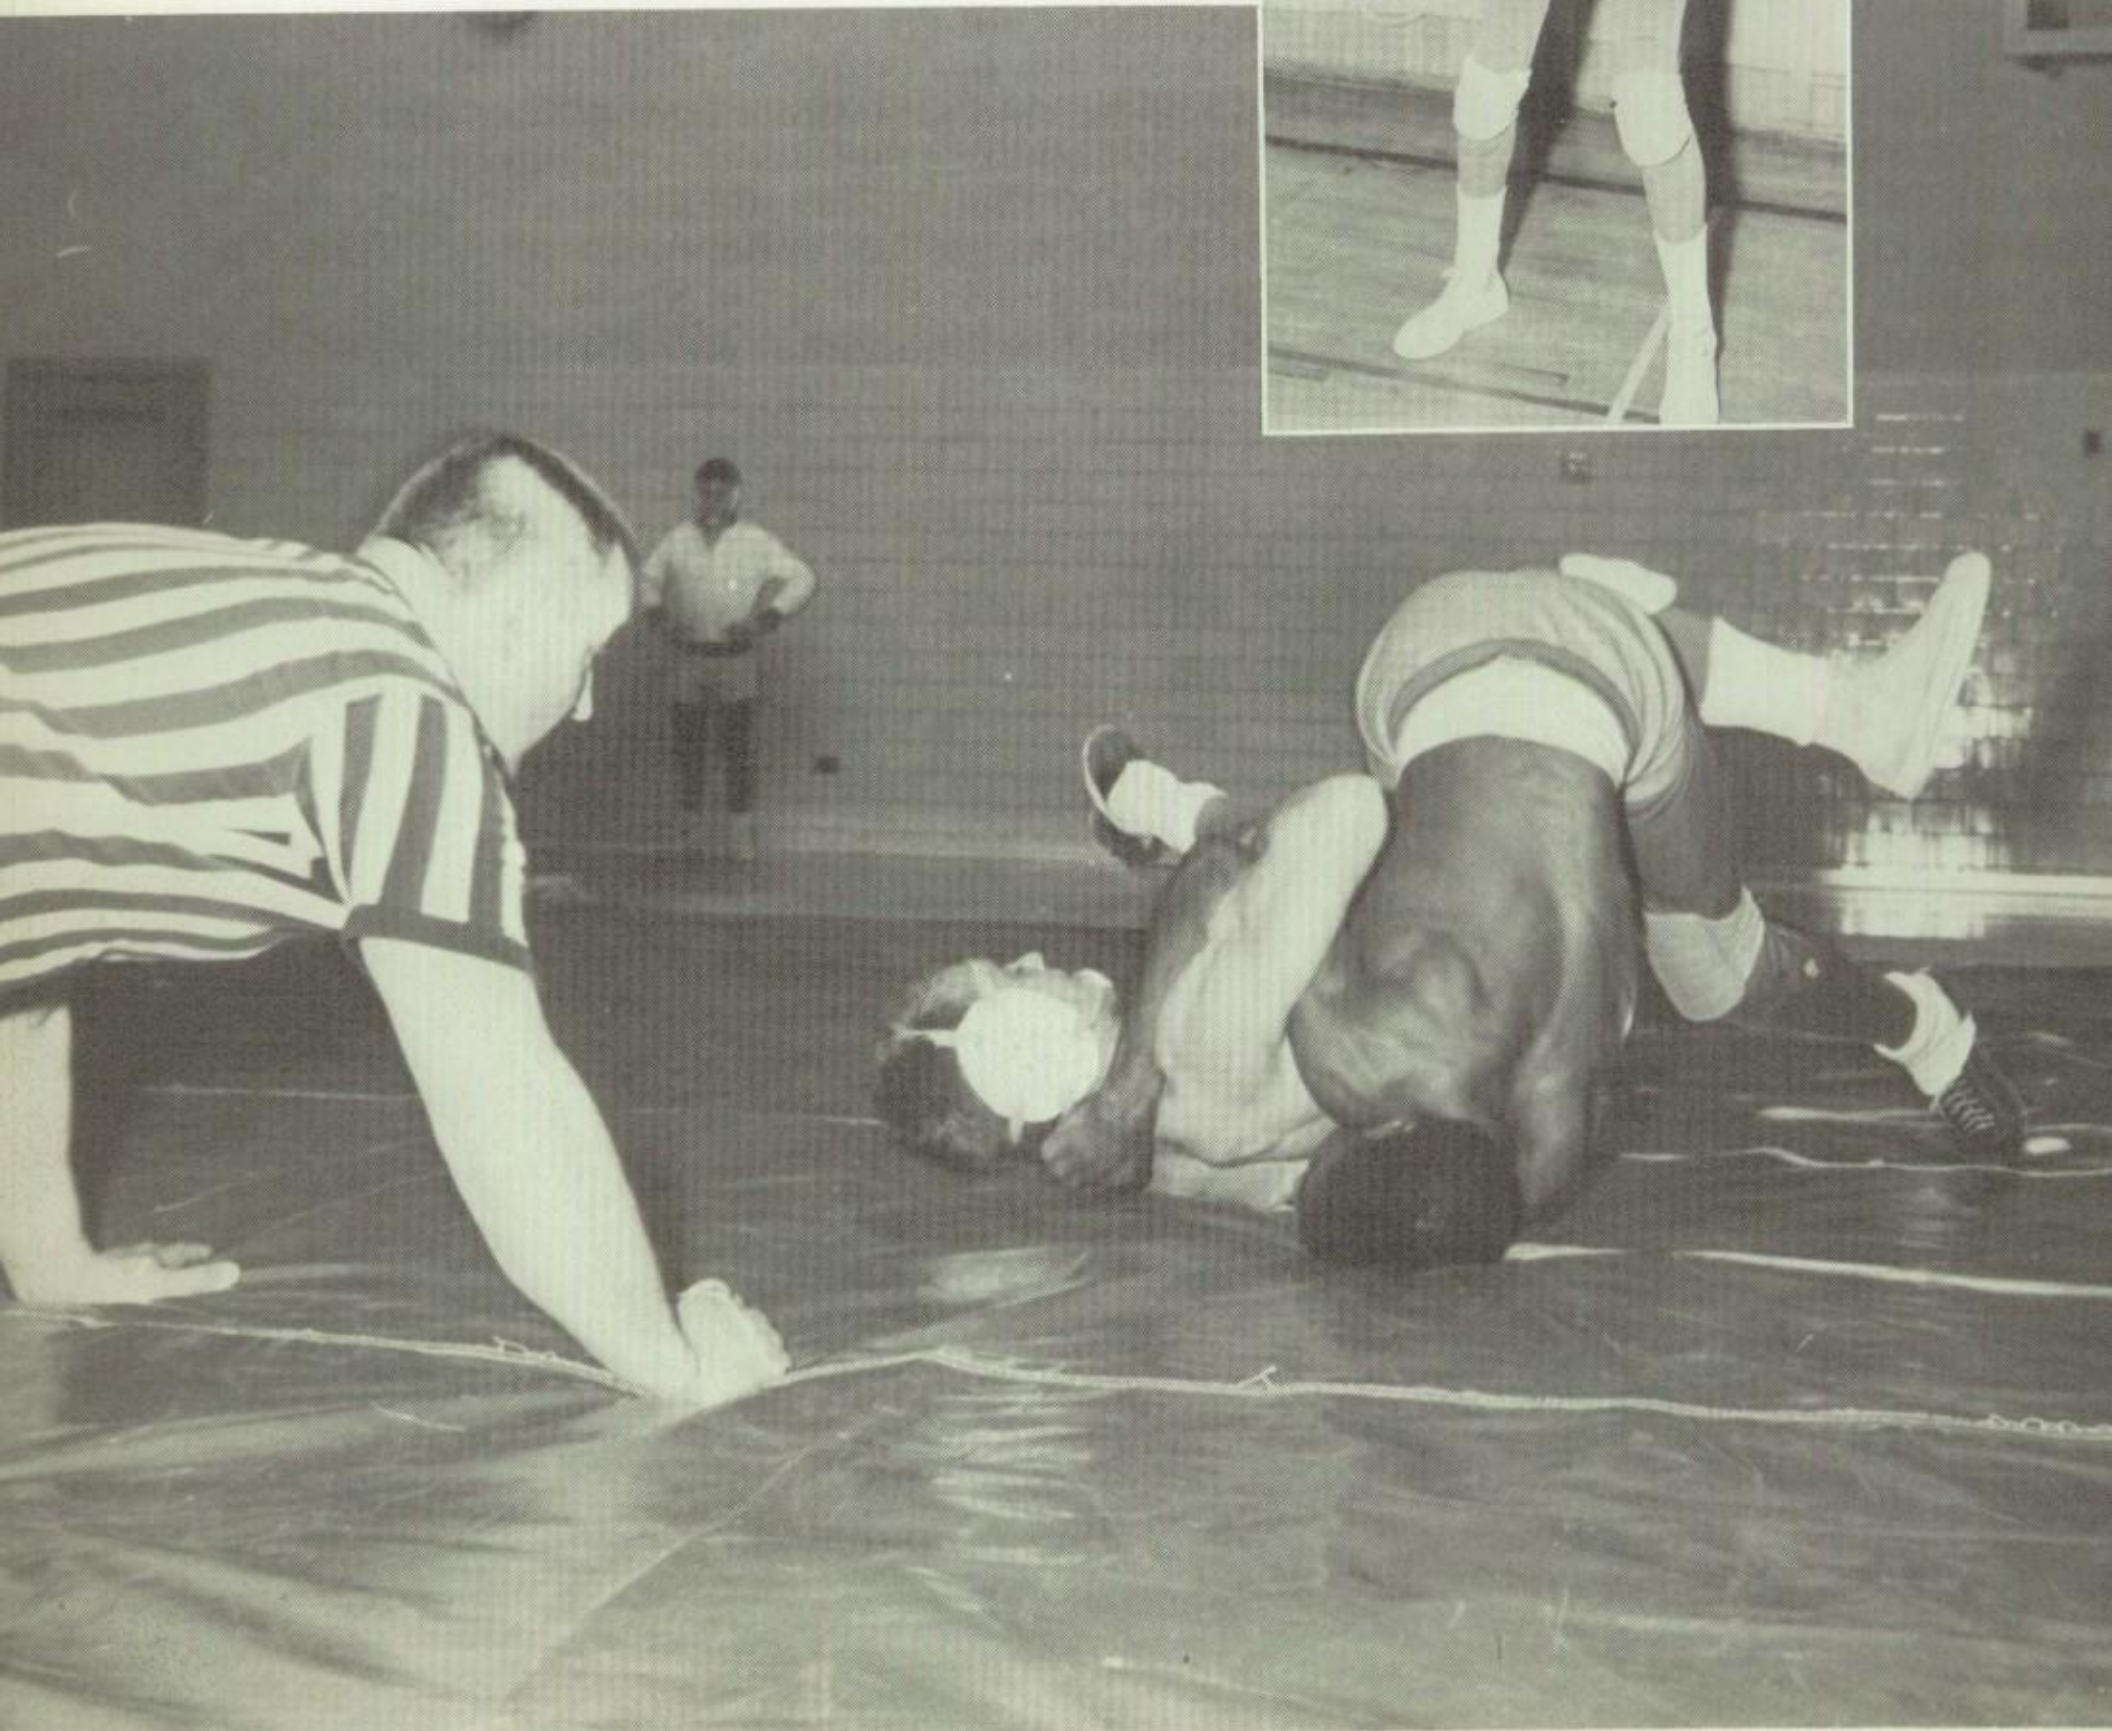

The five, Jimmy Jones (103), Bill Dodge (112), Johnny Williams (120), Lonnie Lowery (133) and Calvin Burkes (145), were the Wolves' top winners through the regular season, and also led Central to a fourth spot in the toughest regional in the state.

Bill Dodge, at 112 pounds, fights for an advantage in first Handy meet.

Johnnie Williams

Johnnie Williams, 120-pound battler, sees the world from a new perspective in win over Handy opponent.

SWIMMING

SECOND ROW (from left): John Schmidt, Bob Reisig, Harold Hemple, Pete Jerome, Chuck Requadt, Lewis Hellerman, Wayne Niles.
MISSING: Cal Freeman, Ted Southerland, Mike Werner.

SWIMMING STORY

Under the direction of first-year coach Don Morey, Central's underclassmen-studded tank team closed the season with a 6-7-1 record, and was especially productive in the final dual meets of the year, winning "revenge" swims against teams which had downed our Wolves earlier in the year.

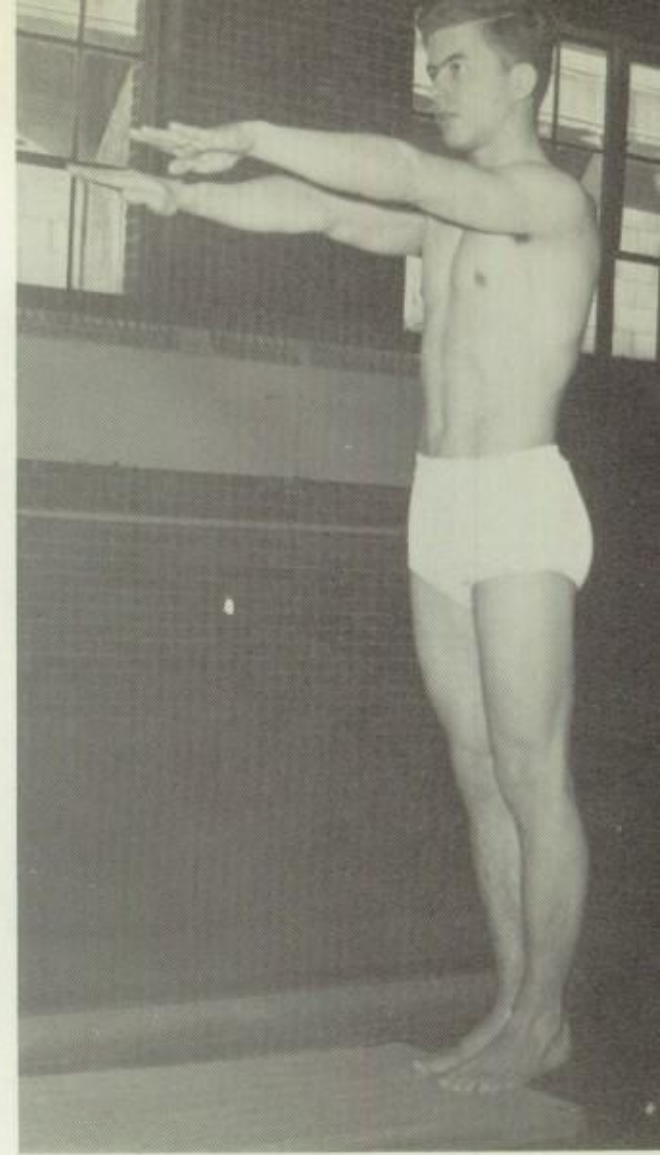

Chuck Requadt, freestyler, and Butterflyer Ray Talaga, plus another freestyler, Fred Eurich, and Diver Jack LaForest were the top individual performers for the Wolves, and the team as a whole qualified an unusually large number of swimmers for the state finals. The JV's also showed promise of things to come while romping to a 10-3 season record.

SPRING SPORTS STORY

Although competition in the four spring sports is carried on after the yearbook goes to press, they are not to be slighted, and this year the quartet of sports promises to reap its usual share of Valley Conference honors and crowns. By sports:

The baseball team, under Coach Elmer Engel, fell in the latter half of the season last year, and this spring's squad promises to remedy this stigma with a high finish in Valley competition.

Track, with Coach Ken Loop at the helm, will have an unusually large number of lettermen on hand, and the team

looks forward to another fine year.

Coach Zit Tessmer's tennis squad, which has consistently won more Valley titles than any other varsity team at Central, and which has dominated Conference tennis circles for the past half-decade, will be seeking their fifth straight league crown.

The golfers will have a new coach in Bill Ullenbruch, and will give any of the Valley schools a run for their money in the coming season.

Student Government

Music

Drama

Student Government is an important part of Central High School. Founded in 1932, the government is by the students to provide the best for the entire student body as well as the school itself.

Each spring the students go to the polls to elect the candidate of their choice, after hearing the platform and campaign speech of each team. The victor will head the Student Government the following year.

The Student Union does many things to brighten our life at Central. They sponsor the "Kickoff" dance honoring the freshmen the first week of school, the exciting homecoming, and the annual Holiday Prom which this year featured the Glenn Miller Orchestra. Also, the Student Union sponsored the Goodfellow Paper Drive which takes place every year at Christmas time.

The Student Union is on the job for Central.
